GENERAL AND REVENUE SECRETARIAT

Serial Nos. 2

Part B for Aug '44

SUBJECT

Allowance to the Secretaries of the Board of Scientific and Industrial Research.

To The Comptroller & Govt Insp. Z.D
The Secretary, Board of Scientific & Industrial
The Director of Engineering & Chemical Research. C.R.S.
The Registrar, General and Revenue
Secretariat.

Sanctions the allowance during the period of performance of duties

13.9.44
Postage

The Board of Industrial Planning & Coordination was recently reconstituted as the Board of Scientific and Industrial Research on the lines of the Government of India Board vide G.O.No.D.4807-4902/I&C.194-43-2 dated the 26th January 1944.

2) The Board is a permanent institution and a part of the General and Revenue Secretariat. The Assistant Secretary to Government, Development Department and Dr.K.A.N.Rao Technical Assistant to the Government Director, Industrial Concerns (also General Manager, Government Industrial and Testing Laboratory) have been appointed as the Secretary and Joint Technical Secretary of the Board respectively.

3) The work of the Board of Scientific and Industrial Research is of All-India significance and its very important activities are indicated in brief in the Government Order dated the 26th January 1944 referred to above.

4) There are and there will be a number of important subjects engaging the attention of the Board initiated by itself, by the different departments of Government, or by other Boards in India and this involves a good deal of correspondence in and outside the State. A number of special committees may have to be formed for consideration of specific subjects. The problems coming up for the consideration of the Board will be varied in nature and their solution would need considerable deliberation, careful study, and prompt action. It will be evident therefore that the Secretarial duties are sufficiently responsible and heavy. The two officers who are ex-officio Secretaries of the Board have heavy work as Assistant Secretary to Government, Development Department and as Technical Assistant to the Government Director, Industrial Concerns. The former officer has to handle enormous increase of work in the I & C Branch on account of the Silk Filature

Allowance to the Secretaries of the Board of Scientific and Industrial Research.

OFFICE OF THE MINISTER FOR INDUSTRIES & SUPPLIES
MAR 24 1944
No. 5746

Expansion Scheme and the promulgation of the several control orders, in addition to the increase of work on account of war conditions. The latter officer has important and onerous duties to fulfil as Technical Assistant to the Government Director and is in the immediate charge of the Industrial and Testing Laboratory with its expanding activities. The Secretary-ship of the Board involves considerable addition to the heavy work they are already having and work beyond office hours.

5861

5) In view of the above circumstances, it is respectfully submitted that the Secretaries of the Board may be given a special ~~xxxxx~~ allowance of Rs.50/- per month each from the date of the reconstitution of the Board of Industrial Planning and Coordination (i.e.23rd November 1943), the expenditure being debited to the source from which their respective salaries are drawn.

6) The Chief Secretary and Financial Secretary may be consulted.

14 Dewan) W 31/B/44

15 It is I think necessary to regulate the grant of such allowances according to some definite principles uniformly applied. I shall be glad to discuss the matter

16) 6/4/44

Dewan W/compr) W 6/4/44

Reference: Dewan's minute dated 6th April 1944.

17 The grant of allowances to officers appointed as Secretaries of Committees or Boards has, I think, to be regulated by the following principles:-

P.T.O.

18 Whole time Secretary: When an officer serving in any Department is detached from that Department and is posted as whole-time Secretary of a Committee or Board, the conditions prescribed in Articles 15 & 16 of the M.S.R. in regard to grant of Duty or Deputation Allowance have to be satisfied. An allowance may be given in such cases when the duties of the new post are of a specially arduous nature or involve increased work or responsibility. The allowance, if any, to be paid need not however exceed 20% of pay, or Rs. 50 per mensem, whichever is less.

19 Part-time (or ex-officio) Secretary: When an officer is appointed as Secretary of a Committee or Board, in addition to the normal duties of a post already held by him, the grant of an allowance will be a sort of re-compense for extra work done by him over and above a normal day's work. The amount of allowance, if any, to be paid will have to be determined with reference to the nature and extent of the additional work devolving on the officer. In respect of Committees which meet only at fairly long intervals and which do not involve the Secretary in carrying on duties of a sustained and continuous nature in the intervals between two successive meetings, no allowance need be given for any occasional work devolving on the Secretary on this account. But in cases where the Committees deal with original work and the Secretaries will have continuous work to attend to even in the intervals between the meetings the grant of an allowance may be justified, the amount being fixed accordi to the circumstances of each case.

Serial No.

20 2. As regards the particular case under reference, an allowance of Rs. 50/- p.m. has been proposed to be paid to the Secretary (Mr. T. Shamanna, Assistant Secretary to Government) and the Joint Technical Secretary (Dr. K.A.N. Rao, Technical Assistant to the Govt. Director of Industrial Concerns and General Manager, Industrial and Texting Laboratory) of the Board of Scientific and Industrial Research. From the office notes in the file (vide paras 3 & 4) it is gathered that the work of this Board entails work of a fairly continuous nature. The post of the Assistant Secretary, Development, is by itself a heavy charge and the additional work as Secretary to the Board may justify the grant of an allowance for the extra work. I am not sure if the work of the Joint Technical Secretary also is equally heavy.

A

21 In the circumstances explained by the Adminis trative Department, the allowance proposed may perhaps be granted.

22 yes

23 3. I have also obtained the files regarding the proposal to grant allowances to the Secretaries of the several Boards of the Economic Conference. It is true that Mr. N.V. Siddalingappa (Assistant Director, Industries & Commerce Department), Secretary of the Board of Industries & Commerce, is already in receipt of an allowance of Rs. 25/-. This allowance, however, is one that was sanctioned several years ago in connection with a Board of the same name that existed previously, and is not

5749.

one sanctioned on an examination of the responsibilities of the post of Secretary of the Board after its re-constitution as a limb of the Economic Conference. No allowance appears to have been sanctioned so far to any of the Secretaries of the other Boards. The Secretary of the Economic Conference has recommended the grant of an allowance of Rs. 50/- uniformly to each of the Secretaries of the Boards of the Economic Conference. The post of Secretary of the Agricultural Board has since been made a whole-time appointment, while the Secretaries of the other Boards are part-time officers. From the discussions in the files, it is found that there is some difference of opinion in regard to the amount of allowance that may be paid.

31. MAY 1944
7629

- Board of Agriculture.
- Board of Education.
- Board of Industries & Commerce.
- Board of Sericulture.

3. I do not know whether the responsibilities of the Secretaries of the several Boards may be considered to be equally heavy.

4. Consistent with the general principles indicated by me in regard to the grant of these allowances to whole-time and part-time officers, I would leave it to the administrative Department to determine the exact amount of allowance that may be paid in each case subject to a maximum limit of Rs. 50/- per mensem.

5. I shall be glad to wait on the Dewan any time, at his convenience, and obtain further instructions if required.

Final Note by the Minister for Industries and Supplies.

Subject.— Proposal for the grant of an allowance of Rs.50/- each, per mensem to the Assistant Secretary to Government, Development Department, and to Dr.K.A.N. Rao, Technical Assistant to the Government Director, Industrial Concerns, for their work as Secretary and Joint Secretary, respectively of the Board of Scientific and Industrial Research.

With the gracious sanction of His Highness, the Board of Industrial Planning and Co-ordination was reconstituted as the Board of Scientific and Industrial Research as from the 23rd November, 1943. The Assistant Secretary to Government, Development Department, and Dr. K.A.N. Rao, Technical Assistant to the Government Director of Industrial Concerns, have been appointed as ex-officio Secretary and Technical Joint Secretary of the Board respectively. The work of the Board is varied in nature and of an all-India significance and the secretarial duties involve additional responsibility and work. It is proposed to sanction an allowance of Rs.50/- to each of the above officers, per month, from the date of the reconstitution of the Board, the expenditure being debited to the source from which the salaries of the respective officers are met.

The Dewan and the other Ministers are agreeable to the proposal and I solicit the gracious sanction of His Highness to the same.

M.S. Srinivasan
Minister,

Letter No. D. 5694, dated the 3rd May 1941, to the Secretary, Board of Industrial Research, intimating that the Industrial Research Sub-Committee is reconstituted as the "Board of Industrial Planning and Co-ordination."

2. Government Order No. D. 3229-37—I. & C. 278-41-2, dated the 24th December 1941 directing that the Board of Industrial Planning and Co-ordination be treated as an independent body.

3. Government Order No. D. 3782-8—I. &. C. 314-41-3, dated the 22nd January 1942, appointing the Assistant Secretary to Government, Development Department, as the Secretary of the Board of Industrial Planning and Co-ordination.

4. Government Order No. O. 2623-30—O. E. 47-41-1, dated the 4th April 1942, directing that the office of the Board of Industrial Planning and Co-ordination be treated as a part of the General and Revenue Secretariat.

ORDER No. D. 4807-4902—I. & C. 194-43-2, DATED BANGALORE, THE 26TH JANUARY 1944.

The Board of Industrial Planning and Co-ordination has been dealing with the planning and co-ordination of research activities and war supplies in the State and exchanged information with the Board of Scientific and Industrial Research, Government of India.

2. With a view to widening the scope of its activities, particularly in the field of Industrial Research and Investigations in the State, which are of vital importance to the industrial development of the country and to maintain a closer and more effective contact and liaison with the Board of Scientific and Industrial Research, Government of India, so that the State could benefit from the research conducted under the auspices of the latter Board, it is considered necessary to strengthen the organisation.

3. Government are accordingly pleased to reconstitute, with effect from the 23rd November 1943, the Board of Industrial Planning and Co-ordination under the name of the "Board of Scientific and Industrial Research" with the undermentioned personnel. The Board will function as at present in collaboration with the Board of Industries and Commerce and its office will be a part of the General and Revenue Secretariat as heretofore.
